GEMSTONE TALISMAN

Zaffiro's one-of-a-kind 22k yellow gold pendant features staurolite, a gem known for its opaque brown twin crystals that naturally form in the shape of a cross. Staurolites are often called "Fairy Stones" or "Fairy Crosses" and are regarded as talismans of good luck. (503) 236-6735

FRESH & CASUAL

Ray Fine Jewellery of Mumbai, India, has released three new collections under its H. Ajoomal brand. The "Simply Style" line includes these dangle earrings with a mix of rose cut and round diamonds highlighting South Sea pearl drops. (91) (22) 2497-3266

ALL TOGETHER

"Together" from Karen Karch is a hand-textured platinum ring about 6mm wide, with two rose cut round diamonds, .15 and .37 carats. The wedding band or alternative engagement ring is also available in 18k rose gold with black rose cut diamonds. (212) 965-9699

GREAT WHITE

White coral stands out with style in a 22k textured gold ring by Fern Freeman, suggested retail \$2,900. The designer works primarily in 22k gold and gems, with a focus on organic and natural forms. (917) 217-1727

NATURAL MESSAGE

These 18k yellow gold and diamond "Alpine Blossom" flower earrings are from David Lee Holland. The designer's jewelry collections, from earrings to lapel pins and cuff links, are inspired by natural forms. (212) 925-1944
